FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance** assume this proposal would not fiscally impact their agency.

FISCAL IMPACT - State Government	FY 2002 (10 Mo.)	FY 2003	FY 2004
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>
FISCAL IMPACT - Local Government	FY 2002 (10 Mo.)	FY 2003	FY 2004
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

Small businesses (insurance companies) would expect to be fiscally impacted to the extent that they would incur additional administrative expense due to the requirements of this proposal.

DESCRIPTION

This proposal would repeal filing requirements for insurers offering commercial property and commercial casualty coverage. Current law allows insurers to be exempted from these filing requirements only if certain financial criteria are met. The proposal would also require insurers to provide at least 60 days notice to an insured when the insurer plans to increase either the premium or the deductible for a commercial property or commercial casualty policy.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
